# CLIENT FEEDBACK

---

*“The Mould Doctor is always prompt in both quoting and work procedures. Quotes are fully explained and with good information for the landlord.*

*Works are completed in a timely fashion, the tenants are consulted with time frames, and I have never had an issue with the quality of work put through to me.*

*The Mould Doctor is my only option when dealing with mould infestation and moisture issues”.*

*“I have been dealing with The Mould Doctor for over three years.*

*I have found them to be very professional and responsible and I would have no hesitation on recommending them to any of our owners. They provide me with a full report including findings, photos and recommendations to forward to my owners.*

*Calls are promptly returned and we get assistance in guiding our owners regarding problems of mould in their investment properties”.*

*Thanks for the very quick response to our problem.*

*From our desperate call on the 23rd of May to you quoting on the 24th and having the job done the next day was sensational.*

*It was greatly appreciated by Lauren - who was very upset about the mould and further exposure to the baby. (As we all were)*

*The place looked fantastic and feels clean again. Thanks again.*
